TYPEFACE FAMILY

The Nedo typeface was conceived as a hommage to the late Venezuelan Graphic designer, Ned Mion Ferrario. Like many other designers of his time, he was inspired by 'impossible geometry' that led to a series of experiments. His logo for Instituto Postal Telegráfico, particularly inspired this typeface creation with the use of a series of parallel lines forming the lettershapes.

FOOTBALL TEAM

A night photograph of a soccer field. The field is illuminated by stadium lights, casting a bright glow on the green grass. The white lines of the soccer pitch are visible. In the distance, a soccer goal stands on the right side. The sky is dark, and the overall atmosphere is energetic and vibrant.
